📧 School Newsletter – Spreading the Love for Learning! 📧

💖 School Newsletter – Spreading the Love for Learning! 💖

Dear Parents and Carers,

At school, we've been spreading kindness, celebrating friendships, and, of course, continuing our love for learning. Here are some important updates for the coming weeks.

📌 A Gentle Reminder – No Artefacts in School

We know children love to share special treasures, but please **remind them not to bring artefacts or personal items into school**. When these go missing, it causes upset, and they can also be a distraction from learning. Let's keep our focus on the things that truly matter—like kindness, respect, and hard work!

📖 World Book Day – Dress to Impress!

We're excited to celebrate **World Book Day on Thursday 6th March**, and we're inviting children to **dress up as their favourite book character**. We love seeing creative and thoughtful costumes that bring stories to life!

However, let's keep things book-focused—**this is not an excuse to wear a football strip and claim you've read the autobiography of Alan Shearer!** (Unless, of course, you *have* read it and it's your genuine favourite book! 😊)

We look forward to a day filled with storytelling, book-inspired activities, and a shared love for reading!

💻 Internet Safety Week – Keeping Our Digital Hearts Safe

This week, as part of **Internet Safety Week**, we've been talking about how to **stay safe and kind online**. Just like in real life, our words and actions on the internet should be thoughtful and respectful. We've covered:

- 💖 Protecting personal information.
- 💖 Thinking before we post or share.
- 💖 Speaking to a trusted adult if we feel unsure about anything online.
- 💖 Treating others with kindness in all spaces, including the digital world.

Please continue these conversations at home—a **little online kindness goes a long way!**

 **Half-Term Break – Time to Recharge!**

Just a reminder that **school will close next Thursday for half-term**. We hope everyone enjoys a well-earned break, full of family time, rest, and maybe even a good book or two!

◀  **Important Update: We Are Moving Away from Mailchimp**

We want to inform you that we will no longer be using **Mailchimp** to send out our newsletters. Instead, we will now be sending our newsletters via our **school app, ARBOR**. Please ensure you have downloaded the app and have your notifications turned on so you don't miss any important updates from us. If you need any assistance with ARBOR, please contact the school office.

Wishing you all a **week full of kindness, love, and learning**. Thank you for your continued support!

Regards.

Mr S Brown
