Dear Parents and Carers,

A Harvest to Remember – Thank You!

Last week, we reached out to ask for a little extra help with our Harvest collection, and the response has been absolutely overwhelming. Your generosity has gone above and beyond our expectations! We have never had such an incredible volume of donations before, and we are truly humbled by the support from our amazing community. Each and every one of you has helped to make a real difference, and for that, we extend a massive thank you!

This morning, we came together for a wonderful Harvest celebration assembly, where we were joined by Reverend Jonny from St Cuthbert's Church. It was a heart-warming event, filled with gratitude and reflection on the importance of helping those in need. The donations you've provided will go a long way towards supporting local families, and we couldn't be prouder of the collective effort from everyone involved.

Still Time to Donate!

Our Year Six students are eagerly preparing to deliver the donations to Feeding Families next Thursday. They're excited to represent our school and to take part in this meaningful activity. If anyone would still like to contribute, there is still time! Please feel free to send in any additional items before Thursday. Your generosity will be deeply appreciated by those who benefit from these donations, especially as we head into the colder months when support is needed the most.

A Special Thanks to COSTCO

We would also like to take a moment to express our gratitude to COSTCO, who have gone out of their way to donate backpacks for each of our Reception and Year 1 children. This incredibly thoughtful gesture is sure to bring smiles to the faces of our youngest learners,

Autumn PE Activities – Get Involved!

As we move further into the autumn term, we'd like to remind parents that our PE email is still accepting emails regarding out of school autumn sports and physical education activities. PE@blaydonwest.gateshead.sch.uk. If you missed any details in last week's newsletter, feel free to check it out.

Looking Ahead

As always, we are so proud of the hard work and enthusiasm shown by all our pupils, staff, and the wider school community. Your continued support makes a real impact, and we are excited for all that lies ahead as we move deeper into the term. From Harvest to PE, and everything in between, it's a team effort – and we couldn't do it without you.

Nasal Flu Immunisation

If you have not already registered your child for the above, and you would like to sign them up, please sign up via the link below. The immunisation takes place on 5th November.

Thank you once again for all your incredible contributions, and we look forward to another fantastic week ahead!

Regards.

Mr S Brown
