Dear Parents and Carers,

## **Big Good Luck to Our Amazing Year 6**

As we head towards the end of the week, we want to send a huge message of encouragement to our fantastic Year 6 pupils, who will be taking part in their SATs next week.

This is an important moment in their primary school journey, and we are incredibly proud of the calm, mature and positive way they have approached their learning. These assessments give one snapshot of what pupils know and can do in English and maths at this point in time – but they are only ever one small part of the bigger picture.

What truly matters to us is everything that makes our Year 6 children the wonderful young people they are. Among them are pupils who speak two or more languages, talented sportspeople who compete and play to a high standard, creative artists who draw, paint and design, and musicians who play instruments with confidence and enthusiasm. They are curious thinkers, supportive teammates, kind friends and brilliant role models for the rest of the school.

As they go into next week, our message to Year 6 is simple: do your best, take your time, and remember how much you have already achieved. We believe in you, we see your strengths, and we value every part of who you are – not just what can be shown on a test paper.

We would also like to say a big thank you to our families and staff for the support, reassurance and encouragement you give our pupils. That partnership makes a huge difference and helps our children feel confident and ready.

Good luck, Year 6 – you've got this! We couldn't be prouder of you.

Kind regards,

Regards

Mr Brown
